

Other ways to encourage men's health screenings at your company during the month of June:

- Put up flyers encouraging men to get regular health screenings.
- Offer an educational event, such as a men's health presentation or lunch and learn.
- Have a colleague health fair featuring health screenings such as blood pressure, cholesterol and blood glucose.
- Set up displays addressing men's health issues.
- Create computer wallpaper or screen savers featuring a men's health awareness theme, which encourages screening and inspirational photos of colleagues.
- Providing promotional items featuring nurse line phone numbers and reminders to take advantage of other health resources available to colleagues.
